Introducing; Captain Gordon Banks

Stafford Area Mission & Growth Partner

On Lady Day 1991 I was enrolled as a Mothers' Union member at St Mary Magdalene, Prudhoe in the Diocese of Newcastle.

At the end of my five year contract there I was unemployed for 15 months. This was a tough time, especially as we had three very small children. During this period however the Mothers' Union blessed us with a week away (AFIA) in a caravan in Whitley Bay. I love the practical way the Mothers' Union seek to demonstrate God's love. I can't tell you the times I have sat in Council meetings enraptured and occasionally moved to tears as stories are told of the way members are engaging with the least, the last and the lost. (Something dear to my own heart as a Church Army Officer) And that practical demonstration isn't just in this country – when you begin to look across the world it becomes staggering. For many people the Mothers' Union and its various initiatives and programmes are life savers. Sad to say, in this country, there is something of a prevailing image of the Mothers' Union that is long passed it sell by date and the MU is finding it hard to shake it off.

However whether you are a member or not you can play your part to help change the perception of the Mothers' Union. Find out what the Mothers' Union is doing in this country and across the world. Speak up for Mothers' Union if anyone gives one of those 'looks' at the mention of Mothers' Union. Plus of course you can join – and you don't have to be a mother – just have the heart of a mother like Jesus who wants to gather hurting chicks under the loving and caring wings of God, who is both Mother and Father to us all.

Mission & Growth Partner

- a) To partner parishes in the putting together, reviewing and delivering their Mission Action Plans.
- b) To be a Resource Person.
- c) To help parishes in Vacancies to maintain a mission focus.

Gordon wishes to work closely with Mothers' Union, we are sure you will meet him soon!! He will be at our AGM on July 9th at Doxey.

Introducing Adie Harris – Our Diocesan Administrator

I am Mum to Jacob who is 12 and Martha who is 8. Until July 2014 I was managing Woodseaves Pre-School which I set up and opened in 2010. I was fortunate enough to be able to take some time off work in September to support Jacob with his transition into secondary school and also begin exploring my own vocation.

I am an active member of my parish, licensed as a Eucharistic minister, I am also part of the Benefice Worship team, run the Sunday School and a monthly children's club.

I was a member of the Mothers' Union within the Chester Diocese a number of years ago, My Nan was a branch leader for many years and I spent much of my childhood being driven around Malpas Deanery to deliver Mothers' Union mailings. I am excited about my new role and looking forward to being involved with this fantastic organisation once again.

Adie works in the office on Monday, Tuesday and Thursday mornings and we know she will be a great asset and friend to us all.
