These times are suggested for each branch or group. You may choose to hold a service via video or telephone call, or agree to join together either in your usual meeting place or in your own homes to pray at your set time. Members not attached to a branch or group may use the service sheet at the time for your Archdeaconry, or at a time convenient to yourself. Should you wish to join with a local group please contact them directly to confirm their arrangements. We will also be posting live on Facebook so you can join in with that too if you prefer.
