

Remembering 2025

Prayer

Heavenly Father

Our hearts are full of love and remembrance. We thank you for the lives of the friends and members we have lost, for the joy that they brought, the fellowship they shared and the love they gave so freely.

Though our hearts ache with loss, we find comfort knowing that now they are in your eternal peace. Surround us with your presence and grant us strength in our grief. Help us to cherish the moments we had and honour their legacy through kindness, and to carry forward the love they gave us.

May Your peace, which surpasses all understanding, guard our hearts and minds. Give us comfort in our sorrow, hope in our pain, and courage to live each day with the same grace and love we remember in them. *Amen.*
